---

**FORT BENNING** – Fort Benning will conduct prescribed burning today in the post's southwest quadrant near the Dixie Road range complex.

Today's wind today is predicted to be from the northwest and should keep smoke on the Installation and away from sensitive areas and neighboring communities.

For more information, call the Public Affairs Office at (706) 545-2238. After duty hours and on weekends, call (706) 545-2218.
